EXPERIENCE

Sr. UI/UX Designer [January 2020 – January 2023](#)
[OTA World LLC](#) [Carrollton, Texas](#)

- Led a design team to create and improve all product designs, and maintained corporate websites.
- Responsible for maintaining content and style attributes of marketing and e-commerce sites.
- Managed content management applications with creative marketing tools.
- Designed and developed products, and used by over 100+ merchants to market their sites.
- Managed projects using Agile to quickly deliver products to stakeholders, vendors, and customers.

Visual Designer / Part-time [July 2017 – Present](#)
[Binnerri Presbyterian Church](#) [Richardson, Texas](#)

- Created all visual designs for over 400+ members to engage them in worship and events.
- Redesigned 2+ websites to make them more visually and experientially accessible to customers.
- Created presentations for speakers to support their sermons and easily interact with the audience.
- Completed projects on time and delivered to clients according to the church's schedule and goals.

Graphic Designer [January 2014 – December 2014](#)
[Ravis's Ware House](#) [Dallas, Texas](#)

- Created designs that help market and promote products and features.
- Worked within existing visual guidelines to create compelling, and brand-centric design solutions.
- Owned design projects and brought them to completion, working with stakeholders to update.

Product Designer / Internship [January 2010 – January 2011](#)
[Pantech Wireless, Inc.](#) [Seoul, South Korea](#)

- Completed 2 major projects with all mobile design processes from concept to building prototypes.
- Explored interaction design through research, persona, user journey map, storyboard, and user flow.
- Worked with team members to implement new product ideas using design thinking.
